

5 Days Tanzania Safari

Explore two beautiful parks in northern Tanzania during this 5-day Tanzania Safari. The Ngorongoro Crater is for most people one of the reasons to come. Visit Tarangire National Park-home to the highest concentration of wildlife in Africa, including the Big Five. If you love elephants, Tarangire National Park is the place to be. It is known for its majestic Baobab trees and has the largest concentrations of elephants in the world.

This private safari offers you the flexibility to travel at your own pace, exactly the way you like it. You will have a private safari vehicle and guide. The hotels we selected for you during this safari are category A Let us know if you want more luxury, we have other beautiful accommodations that Zebra-safaris can reserve for you

Day 1: Arrival Kilimanjaro – Arusha

Upon arrival to **Kilimanjaro International Airport**, a friendly Zebra-safaris representative will meet you outside the airport and transfer you to the hotel. This is an arrival day and meals are not included. Check-in to the Hotel, situated near thirty active coffee farms on the outskirts of Arusha. The African styled chalets are ideally positioned facing the coffee farm and each has a private deck with an amazing view of the ancient indigenous trees found in large numbers on the farm

Accommodation: Masai Land Safari Lodge or similar- masailandsafari.com

Day 2: Tarangire National park

Today you depart after breakfast to Tarangire National Park for a full day game drives The Tarangire River snakes through the park and wildlife travel long distances; drawn to the area's only permanent river. The 1,096 square miles of protected lands are home to a large variety of game such as: wildebeests, elephants, zebras, gazelles, elands, gerenuks, lions and leopards. Extensive grasslands, dusted with the occasional acacia or baobab tree, provide optimum conditions for viewing wild animals. Bird lovers will have the opportunity to see more than 500 avian species including: Yellow-collared Lovebirds, Rufous-tailed Weavers, Ashy Starlings, Stocking-thighed Ostriches, and Kori Bustards. Lunch in the Park and after lunch drive to the lodge where you will have time to relax or take a guided nature walk.

Day 4: Ngorongoro Crater

Early in the morning you drive in 1 hour from Karatu to the Ngorongoro Conservation Area. The road leads you over the Great Rift Valley, through the crater forest, to the striking Ngorongoro Crater. This collapsed volcano is the main feature of the area and creates a unique ecosystem with a wide variety of vegetation. Enjoy the beautiful colors of the landscapes and the wealth of animals. The crater is home to the highest concentration of wildlife in Africa and is full of elephants, lions, buffaloes, hippos and even the rare black rhino. This is one of the best places to spot the Big Five. The views from the crater rim over the crater floor are incredible. Because of its natural beauty the Ngorongoro Crater is one of Africa's Seven Natural all Wonders.

There are a range of activities to do in the Ngorongoro Conservation Area, like visiting a Maasai village or the Elephant Caves.

Accommodation: Olea Africana Karatu
